

Un Orador que Sabe Decir...

[illegible]

"Although we support the Government in its war against terrorism, we cannot in any way condone the actions of the Government in the past or present that we believe are contrary to the values of the United States. We believe that the Government has a responsibility to protect the rights of its citizens and to ensure that the actions of its officials are consistent with the principles of the Constitution."

[illegible]

Cheng's position on individualism is closer to the former. He does not support the individualist city government, but is somewhat more open to the possibility of a "strong central government."
