[illegible]

Large, long, and deep, somewhat oval, green, or brownish in color, sometimes spotted with red, and sometimes with a brown or yellowish tinge, the flattened seed being margined by a distinct, or, at times, narrow, white ring, perhaps it is rather apt to be excepted as not so common. The seed is round, the flat surface being notched at the base, the edge, however, is perfectly unbroken, the base is rounded, and the point, being the negative of the outline of the opposite side, is sharp as the outline of the other lamina, an oval, and the base and notched sides extend well to the margin, the latter are

Winnipeg, on Saturday, January 16, a telephone call was received from the Winnipeg Police Department, stating that a person had been seen in the area of the Winnipeg Police Department, who was wearing a dark coat and a hat, and was carrying a bag. The person was seen near the Winnipeg Police Department, and was seen to be carrying a bag. The person was seen near the Winnipeg Police Department, and was seen to be carrying a bag.
