

Q62

PERMISO PARA VIVIR

Alfredo Bryce Echenique

Anagrama,

Barcelona, 1993

495 págs.

Bryce debe ser el escritor más interesante del Perú, desde aquella inolvidable novela *Un Mundo para Julius*, hasta sus luxuras y ensoñaciones de *Tantas Veces Pedro y Martín Romaña* y *Octavia de Cádiz*, cuentos verdaderamente estupendos, hasta ahora, tempranamente, pues se trata de un hombre joven, sus *antimemorias*. Aquí desgarrilla desordenadamente historias que parecen crónicas, pero que van armonizando lo que él ha vivido, desde sus diez libros preferidos y sus aventuras por la Feria de Sevilla, hasta ponerse muy serio y afirmar que "algo aprendí de niño, cuando jugaba el primer tiempo en un equipo y el segundo en el del adversario". Un libro que a veces emociona y en el que se encuentra latente el gran humor de Bryce, especialmente en el capítulo *Miedo de Volar*, que produce carcajadas.
