La ricerca è stata condotta in Italia, presso la sede centrale di S. Giovanni, e nei suoi 12 distretti, con l'obiettivo di identificare le aree a maggior rischio di abbandono della casa. I dati sono stati raccolti attraverso questionari distribuiti ai proprietari delle abitazioni, che hanno fornito informazioni sulla situazione socio-economica, sulla storia abitativa e sulla disponibilità a lasciare la casa. I risultati della ricerca sono stati analizzati e sintetizzati in un rapporto che sarà pubblicato a breve.

of the company, all rights in the intellectual property are being assigned to the company. Since a majority of the products are sold in the United States, the company will be subject to the requirements of the Securities and Exchange Commission, including the filing of a registration statement with the SEC. The company is currently in the process of preparing such a statement and expects to file it within the next few months. The company is also in the process of obtaining a listing on the New York Stock Exchange.
