

Some Victor Dance Records used by Mr. and Mrs. Vernon Castle
for Teaching Modern Dances in the Castle House, New York City

Vernon Castle's Announcement to the Public

Victor House
30 West 45th Street
New York

March 2, 1914.

The superiority of the Victor and Victor Records is so apparent that Mr. and Mrs. Vernon Castle, after a thorough trial of other grand reproducing instruments, have decided to use the Victor and Victor Records exclusively at Castle House.

Mrs. Castle and I find the Victor is practically indispensable, while the quality of music it supplies during class work is so satisfactory that our pupils are as enthusiastic regarding the Victor as we are ourselves.

I also take great pleasure in announcing that I have given to the Victor Company the exclusive services of the Castle House orchestra for the making of dance records.
